

LWV Climate Action Network

Survey – July, 2014

Introduction

Following the 2014 LWV National Convention, a few local League members from different states met to put an initial framework around the most effective way to work together and accomplish real goals. Our “Mission”, described on a separate document, is our first attempt at defining what we’re about and the “Tools/Resources” will help us do it.

This survey is designed to hear from you. We are still in the planning stage, so your input will help us to make the appropriate changes that will make this national collaboration of local Leagues an effective instrument for information, collaboration and action.

We ask that we receive only one response per local League, not per individual, so please work within your local League to consolidate your reply.

Return the completed survey electronically to votereditor@lwvbae.com by August 1, or by snail mail to Diz Swift, League of Women Voters – Berkeley, Albany, Emeryville, 2530 San Pablo Avenue, Suite F, Berkeley, CA 94702-2000. We’ll go ahead and begin compiling information on August 1, but input received later will be included. If you need more space just add pages.

Thanks in advance for your participation!

Survey Questions

Answer those questions that pertain to your League.

League Name and State _____

Contact Name _____ Contact email _____

Will you allow us to share contact’s name and email with other LWV Network members? _____

1. What are the climate priorities for your league? (*maximum of 3, prioritize (1 highest) if possible*)

- | | |
|--|--|
| <input type="checkbox"/> Price on carbon | <input type="checkbox"/> Land use |
| <input type="checkbox"/> Sea level rise | <input type="checkbox"/> Energy efficiency |
| <input type="checkbox"/> Severe wet weather/hurricanes | <input type="checkbox"/> Fracking |
| <input type="checkbox"/> Drought | <input type="checkbox"/> Other (explain) _____ |
