

# Pussyhat Brooch

This is a simple little brooch I designed in order to support the [PussyHat Project](#). Enjoy!

**Materials:** the brooch can be made in any weight yarn, with its appropriate needles. The example shown uses **DK cotton**, and **2.5mm** needles. A **safety pin** will also be needed.

**Size:** using DK - 4x4cm (1.5x1.5")

**Abbreviations:** **K** - knit; **K2tog** - knit 2 sts together; **P** - purl; **SKP** - slip one, knit one, pass slipped st over; **SK2P** - slip one st, knit two sts together, pass slipped st over; **stocking st** - knit right side, purl wrong side.

## Instructions:

*I made two flat pieces from the directions below, sewed them together, then simply slipped a safety pin through the back stitches.*

- Cast on **13 sts**, leaving a long tail for sewing seams later.

**Rows 1 and 3** - K1, P1 across.

Rows 2 and 4 - P1, K1 across.

**Rows 5 - 10** - stocking st.

Row 11 - K5, turn.

**Row 12** - P5, turn.

Row 13 - SKP, K1, K2tog, turn.

**Row 14** - P3, turn.

Row 15 - SK2P, cut yarn and pull through last st.

- Reattach yarn to work last 8 sts.
- K and Bind Off next **3sts**, then **repeat rows 11 - 15** on last 5 sts.

- Make two sides, then sew up seams with the long tail, and weave in ends.
- Attach safety pin from inside the hat, as shown left, between stitches.

Done!
